Education

German International University (GIU), Bachelor of Software Engineering (Computer Science Major) – Cairo, Egypt 2023 – Present

Experience

Freelance Developer 2022 – Present

- Developed 15+ web and mobile applications using React, TypeScript, Node.js, and React Native
- Successfully launched 2 mobile apps with 1,000+ combined downloads and 2 Chrome extensions
- Built RESTful APIs and backend services with Node.js, Express, and PostgreSQL
- Implemented modern UI/UX designs with Tailwind CSS and responsive layouts

Projects

QuickShip CLI – GitHub | NPM October 2025

- Built CLI tool with Node.js and TypeScript that creates production-ready web/mobile apps in under 60 seconds
- Implemented 6 templates (Next.js, React+Vite, T3 Stack, MERN, Expo React Native, Express/NestJS APIs)
- Published on NPM with 2,500+ downloads and one-command deployment support for Vercel/Netlify

Venora Campus App – App Store | Play Store March-April 2025

- Developed campus marketplace and food ordering system with React Native, TypeScript, Supabase, and Expo
- Implemented real-time tracking and secure payments
- Published on App Store and Google Play Store with 1,000+ combined downloads

Portal & CMS Companion App For GIU – Live Demo January-February 2025

- Built mobile app for GIU University students with React Native and Flask to display grades, attendance, transcripts, and exam information

ASP.NET Educational Platform October-November 2024

- Developed educational platform using ASP.NET Core and MSSQL with interactive learning modules

Chrome Extensions April 2025

- Published AI Prompt Enhancer with NLP-powered optimization and GIU File Renamer utility

Technical Skills

Backend: Node.js/Express, ASP.NET Core, RESTful APIs, PostgreSQL, MongoDB, MSSQL

Frontend: JavaScript/TypeScript, React/Next.js, React Native/Expo, Tailwind CSS

Tools: Git/GitHub, Postman, Docker, Supabase, n8n, Zapier, Make.com

Programming Languages: JavaScript/TypeScript, Java, C++, Python, C#

Languages

Arabic (Native), **English** (Fluent), **German** (A2), **French** (B1)

Certifications & Achievements

- Google Play Academy - Store Listing Certificate – Google Play, Oct 2025
- Docker Foundations Professional Certificate – LinkedIn Learning, Oct 2025
- Complete 2024 Web Dev Bootcamp – Udemy, 2025
- Postman API Fund. Student Expert – Postman, 2024
- AWS Educate Introduction to Cloud 101 – AWS, 2024
- HackerRank Problem Solving (Basic) Certificate, 2025
- Published 2 Mobile Apps (App Store & Google Play) and 2 Chrome Extensions
